

2016 International Water Sports Summer Camp

July 15-28, Beijing-Hangzhou-Shanghai, China

High Lights

The 2016 International Water Sports Summer Camp will be open on July 15 in Beijing, China. The two-week tri-city summer camp is the first of its kind, where Chinese and American teenager students will learn skills together in rowing, dragon boating and other water sports from professional coaches, develop teamwork spirit in splashing races on the 2008 Olympic venues. They will visit the Tiananmen Square, discover the ancient Chinese history from the Forbidden City and the Great Wall in Beijing, enjoy the exquisite West Lake and the inspiring tour and water sports at the Thousand Islands resort, and experience the rapid modernization, vigorous economy and diversified social life in the mega city of Shanghai.

An educational experience with great fun in water sports.

An innovative learning from endless discovery and sharing.

A rare chance to make close friends across the ocean.

And a cultural journey inspiring your mind and brain.

Come and join us at the 2016 IWSSC in China!
